

## Volunteer Training Note from Oct 1, 2019:

We had a wonderful training Tuesday night. I wanted to get out some notes of what we talked about. As usual we opened with each of us talking about what God is doing in the ministry. I need to record this part of the training and use it at churches and on our web site. It is truly amazing to hear what God is doing through each of you. Thank you for sharing.

I went over **our ministry goals** for the **next five years**. As I have said this is your ministry and I want complete openness about what is going on from my level.

1<sup>st</sup> Goal is to have 200 kids in a Christ sharing relationship with a Servant

2<sup>nd</sup> Increase the number of servants from 35 to 70

3<sup>rd</sup> increase number of facilities we have access to.

4<sup>th</sup> Increase church partners from 2 to 10

5<sup>th</sup> Increase and sustain a %35 budget increase

6<sup>th</sup> increase staff, hire a ministry coordinator

7<sup>th</sup> increase board members from 8 to 12

There are a couple of these you can help me with. First **help me contact your church**. This can be your men's or women's group or your pastor. This in turn will allow me to tell our story and hopefully be able to get volunteers (servants)

The Second thing I would ask is, that if are not already doing so, if you would **consider being a monthly donor**. If 30 volunteers gave even 20 dollars a month that is over \$7000 annually. That is the cost of our Christmas parties.

We watched videos on **how to communicate with JJM kids**. The videos were not very well done but they did make some good points that we need to keep in mind. The video link will take you to them. The four videos are a total of about 15 minutes:

[Lesson 2](#)

[Lesson 3](#)

[Lesson 4](#)

**Next month we are going to do three story training**. If you are new to the team it would be great if you can make this training. If you have been around for awhile it will be a great review and you can share how it has helped you in your ministry.

Thank you all for what you do. You are all amazing servants of the Lord.

Blessings,

Andy
